Re: Utility Patent Application

Application No.: 10/777,969 Filing Date: February 12, 2004 Priority Date: February 13, 2003

Applicants' Name: Hsueh-Chin Liao et al.

Title of Invention: ELECTRICALLY POWERED BICYLCE

Dear Sir or Madam,

Enclosed please find a "certified" copy of the foreign priority document for the above-described patent application. The certified copy of the Chinese Patent Application (Application No. 03219888.4) was not attached with the filing of the utility patent on February 12, 2004. Please accept the foreign priority document along with a Return Receipt Postcard Addressed to Attorney.

If you have any questions, please do not hesitate to call.

Sincerely,

Eric Karich
